## Candidate Campaigning and Publicity Rules

---

Following is a list of rules for candidates wishing to campaign for an open seat on the Board of Directors. ACA staff has the discretion to enforce these rules to ensure fairness and limit disruption. The ACA staff will remain impartial and will not be asked or expected to assist in any campaign activities, including the distribution of candidate materials, nor shall their names be used in connection with any campaign.

### General Promotion

- The response/reason for running and a picture of each candidate will be posted on a Board candidate page on ACA's website.
  - Candidates may wish to contact the Council of Delegates. A contact list will be available by request after the candidate list has been published in May 2024. Candidates are advised that due to Unit election cycles and providing for alternate delegates, the list may change over time. Contact the Corporate Secretary at [corporate.secretary@acainternational.org](mailto:corporate.secretary@acainternational.org) for more information.
  - The use of ACA Hub or Forums for the purpose of “endorsing” or “campaigning” for a candidate for the Board of Directors is prohibited. Showing support for a candidate must be done by communicating with members individually.
-

## Paid Advance Publicity

- Board candidates may purchase *Collector*® magazine advertising space at the published display advertising rates, or ACA Online or ACA Daily advertising at published ACA member rates. Contact Anne Rosso at [rosso@acainternational.org](mailto:rosso@acainternational.org) or (952) 259-0705 for more information. Ads shall contain a notice that the cost of the ad was paid by the candidate.

## Board Onsite Campaigning at ACA Events

- Each candidate may display one campaign poster and/or set up a small display table at the 2024 Washington Insights Fly-In. The dates for this event are pending the congressional calendar. Please reach out to [corporate.secretary@acainternational.org](mailto:corporate.secretary@acainternational.org) if you wish to participate.
- Each candidate may display one campaign poster and/or set up a small display table at the Council of Delegates Reception on Saturday, July 20, 2024, 5:00 p.m. – 6:00 p.m. at the Hilton San Diego Bayfront. Submit a list of your distribution materials for approval to the ACA Corporate Secretary at [corporate.secretary@acainternational.org](mailto:corporate.secretary@acainternational.org). Also, if you wish to request an easel and/or 30” round cocktail table, you may do so by contacting the Corporate Secretary at email above by July 1, 2024. This set-up may change as we update/change on-site safety protocols.
- Campaign literature may not be placed on chairs or handed out before any event at the convention prior to the Council of Delegates meeting.
- At the Council of Delegates meeting, each candidate will be allowed to give a speech, not to exceed three minutes. No nominating speeches will be permitted. If a tie occurs and a second round of voting is required, candidates will not receive additional speech time.
- No signs or other forms of advertising may be displayed or distributed inside or immediately outside of the room where the Council of Delegates meeting is taking place.
- For best results, we recommend your poster be no more than 28 inches by 22 inches or smaller in size.
- Due to hotel policies and contractual obligations, candidates may not distribute any food or beverages without prior approval from ACA.
- Any requests for room drops must be first approved by ACA. Once ACA has approved your requested room drop, you will be provided with the appropriate hotel contact to organize and pay for the room drop. Submit your room drop request to [corporate.secretary@acainternational.org](mailto:corporate.secretary@acainternational.org) together with a description of the item(s) to be dropped into delegate hotel rooms. To save time, do not contact the hotels directly to request a room drop. Hotels have been advised to seek approval from ACA first.
- Campaign literature may not be distributed in any manner other than the sign and table as indicated above. No campaign materials will be allowed in sessions, exhibit space or any event functions other than those listed above.
- Candidates may not hinder traffic into the registration area, meeting rooms, Expo area, reception or meal areas at any ACA function.
- Personal attire may display an endorsement as long as it is tasteful.
- ACA will NOT cover the costs for easels, tables, shipping, handling, hotel fees, room drops, campaign materials or any other costs related to campaign activities.
- ACA staff will not be asked to or be expected to participate in any campaign activities, including, but not limited to setting up literature on campaign tables, taking down or removing posters, or shipping boxes to/from event venues.
